Jeremiah 29:1-14; 1 Timothy 2:1-6  
Election 2016

### • Introduction...

*They (Clinton and Trump) are a reflection of who we have become. Donald Trump and Hillary Clinton are a reflecting pool into the state of our nation's soul... Leaders do not define the morality of a people; they are a reflection of it. (Hooten)*

*Donald Trump and Hillary Clinton are not the problem; they are the wake up call. We see in them ourselves. We see in them a call to repentance and prayer. A new president cannot save us.... Jesus can....Jesus was not a reflection of the people; he was a reflection of the Father. (Hooten)*
