

Introduction to “Easter Everyday”

Simple concept. If we really understood who Jesus is and what he has done for us, we would celebrate the Easter story every single day. When was the last time you took time to celebrate what Jesus did by his death and resurrection? I’m talking about actual celebration? In today’s passage, Paul gives instructions to the church but he also reminds them why everything should revolve around Christ. The series title is Life Rearranged, specifically, rearranged around Christ. This week, we remember why he is deserving of that place at the head of the table, the top of the pyramid. In your discussions, strive for self-awareness, and honesty with yourself and each other. There is no judgment, only recognition of where we have erred and where we still need God’s grace.

Colossians Focus:

The preeminence (superiority, excellence, distinguished, surpassing nature) of Christ in all of life (1:18).

Part 6: Christ First

Text: Colossians 2:6-15

2:6-8 PLANTED

2:9-12 FILLED

2:13-15 FREED

Big Idea: Sharing Jesus is always a symptom of knowing Jesus.

From the Sermon (add your own notes here):

1. PLANTED

“So walk in Him, rooted, built up in Him,

Established in the faith... abounding in

thanksgiving.”

2. FILLED

a. Christ doesn't need a SUPPLEMENT.

3. FREED

a. Romans 8:31-34

b. “And you, who were dead...

God made alive!”

Getting Started

When in your life would you say you were “abounding” or overflowing in thanksgiving?

Digging Deeper

1. Read Colossians 1-2. What have you learned so far walking through Colossians so far? Are there any specific things you are working to apply?
2. From verse 6, “as you received,” how would you summarize what the believer has received and how? How would you explain it to an unbeliever?
3. Consider the ongoing commands Paul gives the church.
 - a. Walk in Christ... What does it mean? What are some ways your life might be different if you were intentionally walking with Christ on a daily basis?
 - b. Rooted in him... What are some signs your life is rooted in Christ? When might you see it most noticeably?
 - c. Built up in him... What can we do, day-to-day, to make sure our growth is grounded in Christ?
 - d. Established in the faith... What do you think of the word “established?” What does that feel like? And

Live It Out

Pray: Spend time giving thanks to God for all he has provided, beginning with salvation, but also including his ongoing work in your life.

Confess: What things are you taking for granted instead of abounding in thanksgiving? Or confess missed opportunities to share God's abundant grace with those around you.

Act: Who will you interact with this week who needs Jesus? Considering the gospel truths we have discussed, what would it take for you to share Jesus with them this week? You don't have to "preach." It can be as simple as bringing Jesus up in conversation, or mentioning something you have found in scripture recently. (Perhaps reading Exodus 4:10-12 will help.)
