

Hi Neighbor!

We face an ever-changing landscape and interesting times with this COVID-19 situation. It's hard to tell what the next days, weeks and months have in store for us. But, whatever the case, we think it's a good time to press in to being good neighbors!

If you need something in a pinch, an errand, a ride, supplies, encouragement, etc. or you want to talk more about ways we can help each other, please let us know. Feel free to give us a call at [redacted]. (BTW: We are located at [redacted]). We have also created a group on the NextDoor App. If you have a smartphone or the capability, feel free to download the NextDoor App, enter as much or as little information about yourself that you want, and, if you are able to help or need help, feel free to share there. We all have different gifts, strengths, abilities and resources that could help one another.

Know that we're praying for you, your family, and our neighborhood as we go through this together.

Blessings,

Bryce and Gina Harcey
