Digging Deeper:

How is facing your fears different if you realize Jesus already knows you will have them? That Jesus knows your weakness? And yet, Jesus loves you and is calling to you through them?

Consider Peters' falling away from Jesus and that Jesus foretold him that (see John 14:36-38, 18:15-18, 25-27). How do you think Jesus' foretelling helped Peter process the guilt and the shame and go on to live such as such an incredible witness to Jesus? How does it apply to us?

Where in your life do you presently lack peace? How does God's word speak into that? See Isaiah 26:3.

Read John 17:1-11. According to this passage, how would you describe the Father's plan, Jesus' role in it, and what is being given to the people who belong to Jesus?

Getting Real: Read John 16:20-22. Take some time to discuss the real stresses and trials you are currently facing in life with someone. Ask the Spirit (see John 16:7-11) to teach you and you might find God's purpose and peace in them.

Act: What does it look like to walk by faith and live as one who takes heart in Jesus, who has overcome the world? What does courageous living look like in the week ahead?

Pray: Pray 2 Chron 7:14 over our country. Pray at 7:14am or pm each day this week.
