#### ACTIVITY & DISCUSSION FOR FAMILIES

Have you ever been lost? What kinds of thoughts and emotions did you experience? And what did you feel when you found the way, when you got back on the road?

#### DISCUSSION QUESTIONS

This week's text is John 14:1-7, but the whole of Jesus' final teaching to his disciples can be found by reading John 13-17.

**Dig Deeper:** Grab a good study Bible that has notes, a concordance, or a cross-reference system and study ideas, words, and themes from this sermon.

Take a moment to look back on your week! Have a couple people share: what are some highs, lows, and/or buffalos? (Highs=highpoints, Lows=low points, Buffalos=interesting)

What does it mean to you that Jesus is the way? The truth? The life?

Which of those declarations did you most need to be reminded of this week? Why?

Look back at the six I AM statements we have studied so far. What stands out about them as a whole?

*Heavenly Father, thank you for completely meeting my needs, physically, spiritually, eternally. Thank you for seeing me lost, confused, dead in my sin and sending your Son as the way, the truth and the life so that I could know you personally. Please give me a chance this week to share Him with someone else who is still lost, confused, and dead in their sin. Use me to point them to You. Amen.*
